

BIOBLOCK

Ground floor

ECE Lab 1

You are at the Front Gate.

Walk straight towards the Main Block.

Before entering the Main Block, take the left pathway.

Continue walking to the Bio Block on your left.

Enter the Bio Block.

ECE Lab 1 is located on the ground floor.

ECE Lab 2

You are at the Front Gate.

Walk straight towards the Main Block.

Before entering the Main Block, take the left pathway.

Continue walking to the Bio Block on your left.

Enter the Bio Block.

ECE Lab 2 is located on the ground floor.

Accenture Lab

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway before entering the Main Block.

Continue to the Bio Block on your left.

Enter the building.

The Accenture Lab is located on the ground floor.

Reprographic Center

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway.

Continue to the Bio Block on your left.

Enter the building.

The Reprographic Center is located on the ground floor.

First Floor

ECE Staff Room

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway before entering.

Proceed to the Bio Block on your left.

Enter the building.

Take the stairs to the first floor.

The ECE Staff Room is located on this floor.

ECE Lab 3, 4, 5 & 6

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway.

Continue to the Bio Block.

Enter the building.

Go to the first floor.

ECE Lab 3 is located on this floor.

ECE Library

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway.

Continue to the Bio Block.

Enter the building.

Go to the first floor.

The ECE Library is located on this floor.

ECE Seminar Hall

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway.

Continue to the Bio Block.

Enter the building.

Go to the first floor.

The ECE Seminar Hall is located on this floor.

Assistant Director

You are at the Front Gate.

Walk straight towards the Main Block.

Before entering the Main Block, take the left pathway.

Continue walking to the Bio Block on your left.

Enter the Bio Block.

Proceed to the first floor.

The Assistant Director's office is located on this floor.

Dean

You are at the Front Gate.

Walk straight towards the Main Block.

Before entering the Main Block, take the left pathway.

Continue walking to the Bio Block on your left.

Enter the Bio Block.

Go to the first floor.

The Dean's office is located on this floor.

ECE HOD

You are at the Front Gate.

Walk straight towards the Main Block.

Before entering the Main Block, take the left pathway.

Continue walking to the Bio Block on your left.

Enter the Bio Block.

Proceed to the first floor.

The Head of the Electronics and Communication Engineering department is located on this floor.

Second Floor

Biomedical Engineering Department

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway.

Proceed to the Bio Block on your left.

Enter the building.

Go to the second floor.

The Biomedical Engineering department is located on this floor.

BME Library

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway.

Proceed to the Bio Block on your left.

Enter the building.

Go to the second floor.

The Biomedical Engineering department library is located on this floor.

BME Staff Room

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway.

Proceed to the Bio Block on your left.

Enter the building.

Go to the second floor.

The Biomedical Engineering department staff room is located on this floor.

BME Labs

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway.

Proceed to the Bio Block on your left.

Enter the building.

Go to the second floor.

The Biomedical Engineering department labs are located on this floor.

Third Floor

Biotechnology Engineering Department

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway.

Proceed to the Bio Block on your left.

Enter the building.

Go to the third floor.

The Biotechnology Engineering department is located on this floor.

BTE Staff Room

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway.

Proceed to the Bio Block on your left.

Enter the building.

Go to the third floor.

The Biotechnology Engineering department staff room is located on this floor.

BTE Labs

You are at the Front Gate.

Walk straight towards the Main Block.

Take the left pathway.

Proceed to the Bio Block on your left.

Enter the building.

Go to the third floor.

The Biotechnology Engineering department labs are located on this floor.
